MAGELLAN
A E R O S P A C E

Bristol Aerospace Limited, the Winnipeg business unit of Magellan Aerospace, has exciting career opportunities for highly motivated individuals to join our organization as Material and Process Engineers/Technologists at its Winnipeg Plant. These positions will provide technical support for all programs requiring special processes; prepare and maintain Company documentation controlling special processes; train special process operators; and act as a prime contact for applicable internal and external special process audits. As a Material and Process Engineer/Technologist, your primary responsibilities will include:

- Providing material and process support services pertaining to mechanical and destruct testing required to meet customer requirements.
- Providing technical assistance in the preparation and development of operating procedures.
- Reviewing customer specifications and preparing technical documents related to process control and mechanical testing.
- Conducting failure analysis and preparing repair procedures per customer requirements.
- Review of subcontractor procedures and approval of subcontractors.
- Establishing operator qualifications for special processes per customer requirements.
- Process focal for customer and external 3rd party (NADCAP) audits.

Qualifications Include:

- University degree in Mechanical or Aerospace Engineering eligible for P. Eng. registration with APEGM, OR a Mechanical Engineering Technologist with at least five (5) years manufacturing experience.
- Knowledge of aerospace materials, processes, and mechanical / destruct testing.
- Experience in the preparation and development of technical documents.
- Excellent written and verbal communication skills.
- Personal computer skills (Word, Excel, PowerPoint).
- Experience in AS9100 Quality systems and CINCOM business systems is desirable.
- Six Sigma Green Belt or Black Belt training is desirable.

Bristol Aerospace Limited offers a competitive salary and extensive benefits. Candidates are invited to submit a cover letter and resume by Friday, January 29, 2010: Bristol Aerospace Limited, P.O. Box 874, Winnipeg, MB R3C 2S4, Fax: (204) 774-0195 or email: balhr@magellan.aero

In accordance with our employment equity goals, applications are particularly encouraged from aboriginal persons, persons with disabilities, visible minorities and women.

Only those applicants selected for an interview will be contacted.
