

Launch your Career

Bristol Aerospace Limited, the Winnipeg business unit of Magellan Aerospace Corporation, has exciting career opportunities for dynamic individuals to join its team as **Quality Assurance Representatives** at its Winnipeg Plant.

Primary Responsibilities:

- Prepare Quality Assurance plans to support the manufacture of customer defined products;
- Review the product definition and shop orders to ensure compliance to the Quality Assurance plan;
- Review supplier capabilities and documentation to ensure compliance to specified requirements; this may entail on site audits at suppliers facilities;
- Support supplier development initiatives and acting as product or process owner at suppliers as required;
- Participating in Quality Verification/Product Release by providing certificate of compliance, and authorizing the release of deliverable products to the customer;
- Liaising with and assisting the customer's representative(s) on all Quality matters.

Qualifications Include:

- Post-secondary education in Mechanical Engineering Technology.
- Related work experience in a manufacturing environment considered an asset.
- Experience in sheet metal detail manufacturing, machining components, heat treating and forming operations considered an asset.
- Basic CAD skills considered an asset.
- Experience in the use of Microsoft Office applications.

In accordance with our employment equity goals, applications are particularly encouraged from aboriginal persons, persons with disabilities, visible minorities and women.

Only those applicants selected for an interview will be contacted.
